On the following pages, you have an assignment that relates to number 1 above. You need to read the introduction that explains the course and the AP test. Then you will complete the assignments that relate to Period 1, Chapter 1 and 2. Due to time constraints, we will be covering this material very quickly. By completing this assignment and quizzing over this material the first week of school, it will allow us to move quicker through the content. This book that you are buying will be our primary supplement to the textbook. In many circumstances, this will be our primary text so it is essential that you have your own.
